

PA Segment Review

SW Project priorities

- Delay in onboarding SW team for growth plan has (TBD) impact on roadmap -> New priorities
- Priority changes
 - Plan to accelerate the release for call stacking (Jun '24, TBD)
 - Pen test, Call stacking, UR-E7 and NF moved up in priority
 - Router Amp. and EoB are lowered in priority
- Capacity growth
 - Max focus on SW recruitment plan
 - Chasing resiliency initiatives to bring back SW dev. team back to full force (5 -> 3 -> 5)
